## Board of Commissioners

### SPECIAL CALLED MEETING

The Spalding County Board of Commissioners met in special called session Thursday, January 17, 2002 at 10:00 AM in the offices of Legislative Reapportionment Services, Suite 407, Legislative Office Building, 18 Capitol Square, Atlanta to discuss and consider revised county commission district boundaries in conjunction with the latest decennial United States Census and the requirements of the Voting Rights Act of 1965, as amended. Present at the meeting were Commissioners Johnie McDaniel, Dick Morrow, Michael Kendall, Martha McDaniel, and Merrill Massengale. Also present were County Manager William Wilson and Assistant County Manager Michael Sabine.

Discussion was held relative to Spalding County's proposed redistricting map for county commission districts. Legislative Reapportionment Services had previously informed the Board of Commissioners that errors were apparent in proposed commission district map Spaldcc2. These errors apparently were a result of computer malfunctions at the Legislative Reapportionment Services office on September 24, when plan Spaldcc2 was originally drafted.

Further discussion was held regarding the best approach to address these errors. Members made suggestions relevant to correcting map errors. From these suggestions, two additional plans were generated during this session: map Spaldcc2r and map Spaldcc4.

County Manager Wilson advised Chairman McDaniel that a public hearing was scheduled for Tuesday, January 22, 2002 at 5:30 PM to discuss proposed county commission maps. Mr. Wilson asked the Chairman if the 5:30 time was appropriate, and he concurred with that time.

There being no further business, the meeting was adjourned by acclamation at 11:42 AM.
