

Spalding County Comprehensive Transportation Plan Second Public Meeting

Tuesday, January 23, 2007 @ 6:30pm - 8:00pm
Spalding County Courthouse Annex
119 East Solomon Street, Room 108
Griffin, Georgia 30224

*Spalding County is working on a Comprehensive Transportation Plan.
You are encouraged to participate in the process by attending this public meeting.*

The Comprehensive Transportation Plan is a way for Spalding County to map out its transportation goals for the next 25 years, and then figure out the best way to get there. Community members are encouraged to participate in the process to help shape those goals.

The Comprehensive Transportation Plan will:

- *Provide the citizens of Spalding County with choices to enhance quality-of-life and address growth*
- *Ensure that your choices are sensible and sustainable*
- *Improve air quality*
- *Address traffic safety and congestion problems*
- *Enhance the livability of Spalding County*
- *Increase Spalding County's economic competitiveness*

Come to the Public Meeting on January 23 and help us establish goals and objectives for the Comprehensive Transportation Plan.
