LOCAL RECREATION DANCE AND CHEER TEAM WINS BIG AT DISNEY WORLD

“The road to success is paved with a lot of hard work!”

No one knows this better than the Impact Dance and Competitive Cheer team from Spalding County’s City Park Community Center who placed **second** in “The Contest of Champions” at Walt Disney World on March 1, 2015. These girls worked hard all year to prepare for this prestigious event and it is a tremendous accomplishment for each and every one who participated!

Impact Dance and Competitive Cheer is a program offered at City Park Community Center. Class instruction is provided by Brittany Battle and includes aspects of dance expression and competitive cheer with creative details.

If you or your “little diva” would like to learn more about The Sparkles and Divas contact IDCC Coordinator Brittany Battle at impactdancecheer@yahoo.com. For class schedule and details visit www.spaldingparksandrec.com.
