SPALDING COUNTY ANNOUNCES eFILE CLE TRAINING

Spalding County and Tyler Technologies will host a free eFile CLE lunch and learn training session on Tuesday, December 13th, 2016 from 11:00 a.m. until noon at the:

Spalding County Courthouse
1st Floor – Jury Room
132 East Solomon Street
Griffin, Georgia 30223

This training is highly recommended for any attorney or their staff who file documents in the Spalding County Courthouse. “We are excited by the implementation of the new case management system with Odyssey. This has been a long term goal for this County to implement and utilize a case management system and from all indications the Odyssey system is the best” said Clerk Marcia Norris.

Tyler Technologies is a leading provider of end-to-end information management solutions and services for local governments and is currently the only e-File vendor in the United States with an established portal.

Please contact Debbie Brooks to reserve your seat at 770/467-4309 or by email at dbrooks@spaldingcounty.com.
