SPALDING COUNTY PUBLIC WORKS TO DELAY APPLICATION OF HA5 TO COUNTY ROADWAYS

Due to the possibility of inclement weather and unfavorable temperatures the last week of October, Spalding County Public Works has postponed the application of HA5 until Spring 2019. HA5, a high-density mineral bond that protects the road from degradation by UV rays and rain for 5-7 years. The County had planned to treat two roads in Spalding county as a cost-effective effort to maintain roads rather than wait for them to fail before fixing.

***Should you have any questions or concerns, contact Spalding County
Public Works at (770)467-4774 or
Keith Stephens with Blount Construction at 404/358-5894.***
