What should I do if I encounter inmates out in the community on a work detail?

- ✚ Absolutely nothing, except **STAY AWAY** from them. Engaging in conversation and/or being alone with an inmate is strongly discouraged and inmates are instructed **NOT** to have personal conversations or ANY kind of personal dealings when working among the general public. Other actions, to include providing personal transportation to an inmate, physical contact, conducting business or personal transactions or providing **ANY** item that can be considered a weapon OR contraband (such as a cell phone, smoking items, drugs, pornographic material, money, food or drinks) are actions that can result in **YOUR ARREST**.
- ✚ If you see something that “doesn’t look right” OR you have a question or concern about something, please call Spalding County C.I. at 770-467-4760 and ask to speak to a Supervisor.
