

# Spalding County Public Works Collection Centers

## Changes to collection centers:

The collection centers were a SPLOST project, voted on by the citizens of Spalding County, and were presented to the citizens and designed to handle household garbage only. Over the years other services have been added to accommodate additional items; however, these services are now being abused and represent a significant expense to the Spalding County Taxpayer.

The Spalding County Board of Commissioners will be implementing positive changes effective May 4, 2020 to assist in reducing the number of individuals, landlords, businesses, and commercial refuse haulers currently abusing the service at the expense of the Spalding County taxpayers.

THE SPALDING COUNTY BOARD OF COMMISSIONERS WILL BE IMPLEMENTING THE FOLLOWING CHANGES AT THE COLLECTION CENTERS EFFECTIVE MAY 4, 2020 TO RETURN THE CENTERS TO THE ORIGINAL USE APPROVED BY THE CITIZENS OF SPALDING COUNTY THROUGH THE SPLOST VOTE THAT CREATED THESE CENTERS:

- **BULKY ITEMS WILL NO LONGER BE ACCEPTED AT THE SPALDING COUNTY COLLECTION CENTERS.**
- **HOUSEHOLD GARBAGE WILL BE LIMITED TO THE EQUIVALENT OF FIVE (5) 55-GALLON BAGS OF TRASH PER HOUSEHOLD PER DAY.**
