Job title: **Certified Firefighter I or II (Position #1807)**

Salary: Pay Grade 14; Hiring Rate based on \$36,755 per year

Work Schedule: Work 24 hours/off 48 hours; including weekends and holidays.

This position has been determined to be non-exempt under the overtime provisions of the Fair Labor Standards Act.

MINIMUM TRAINING AND QUALIFICATIONS: Certified Firefighter I or II. Firefighter I must certify as Firefighter II within 6 months of employment. Must possess a valid Class F driver's license or obtain one within 6 months of employment. Must obtain a Basic Life Support certification within 6 months of employment. Shall have a good work history and a good driving record – no DUI within the last 5 years. State law requires no felony convictions within the past 10 years.

GENERAL STATEMENT OF JOB: Under general supervision, responds to emergency calls and fights/suppresses fires. Duties include: responding to fire/rescue/medical emergency calls, driving/operating fire apparatus, controlling/extinguishing fires, providing basic life support to sick/injured persons, and maintaining department stations and equipment. Reports to assigned officer.

PHYSICAL REQUIREMENTS: Requires climbing, balancing, stooping, kneeling, crouching, crawling, reaching, standing, walking, pushing, pulling, lifting, grasping, feeling, talking, hearing, seeing, and repetitive motion. Must be physically able to operate a variety of fire fighting equipment, tools, fire station equipment, and office equipment such as a motor vehicle, fire engine, tanker truck, ladder truck, pump apparatus, smoke detector, carbon monoxide detector, fire extinguisher, generator, chain saw, air compressor, breathing apparatus, hoses, nozzles, connectors, hydrants, ladders, extrication tools, hydraulic tools, air lift bags, mechanic tools, axe, crowbar, rake, shovel, portable lights, gauges, first aid supplies, washer, dryer, ice maker, computer, printer, copy machine, facsimile machine, calculator, telephone, and radio communications equipment. Must be able to drive a fire truck and operate a motor vehicle. Must be able to use body members to work, move or carry objects or materials. Must be able to exert up to fifty pounds of force occasionally, and/or up to twenty pounds frequently. Physical demand requirements are at levels of those for active work. Must be able to lift and/or carry weights of one hundred twenty-five pounds and able to climb ladders up to 100 feet in height.

ESSENTIAL JOB FUNCTIONS: Responds to emergency calls for fire suppression, medical assistance, hazardous materials incidents, and other emergency situations; provides protection of life/property against fire; provides first aid/CPR as needed.

Maintains a state of readiness/preparation for emergency response; checks/maintains stock of equipment and supplies on fire vehicles and in fire station; re-loads equipment and apparatus following response to emergency calls; prepares apparatus for subsequent emergencies; tests hoses and pumps on apparatus.

Drives, operates, and monitors a variety of fire vehicles/apparatus; determines best route to reach location of emergency calls; performs safe driving functions in various weather conditions.

Suppresses, controls, and extinguishes fires; performs search, rescue, extrication of victims, and forcible entries; assists individuals from burning structures; ventilates smoke and gas from buildings; establishes openings in buildings for entrance, ventilation, or salvage; performs salvage and overhaul functions; assists with cleanup activities.

Positions and climbs ladders of various heights to access upper levels of buildings and to perform rescue operations.

Locates water supplies; places fire truck in pumping mode to charge lines; lays out and maneuvers fire hoses; selects appropriate nozzles; operates pumps and directs stream of water or chemicals onto fire; disconnects and rolls used hoses; protects property from water/smoke by use of waterproof salvage covers and smoke ejectors.

Administers first aid and artificial respiration to injured persons and those overcome by fire and smoke, per First Responder guidelines; performs physical lifting techniques associated with moving patients between incident site, stretcher or ambulance.

Responds to incidents involving terrorism and weapons of mass destruction.

Utilizes protective/safety equipment and monitors work environment to ensure safety of employees and other individuals.

Maintains inventory levels of departmental supplies; initiates orders for new or replacement materials.

Performs general maintenance tasks necessary to keep vehicles, buildings, quarters, hydrants, equipment and tools in operable condition, which may include inspecting/testing equipment, replacing fluids, greasing equipment, replacing parts, washing/cleaning equipment, or cleaning quarters; monitors equipment operations to maintain efficiency and safety; reports faulty equipment for necessary maintenance work.

Prepares or completes various forms, reports, correspondence, logs, fire reports, equipment testing records, training records, vehicle maintenance records, incident reports, supply requests, or other documents.

Receives various forms, reports, correspondence, orders, logs, vehicle maintenance records, training materials, drawings, maps, rules, regulations, policies, procedures, codes, manuals, reference materials, or other documentation; reviews, completes, processes, forwards or retains as appropriate.

Maintains current manuals, policies/procedures, bulletins, or map books for reference and/or review.

Communicates via telephone and/or two-way radio; communicates effectively and coherently over radio channels while initiating and responding to radio communications; provides information and assistance; takes and relays messages; responds to requests for service or assistance.

Communicates with supervisors, employees, volunteers, dispatchers, other divisions, other departments, fire officials, law enforcement officials, medical personnel, outside agencies, property owners/occupants, victims, utility companies, civic organizations, the public, and other individuals as needed to coordinate work activities, review status of work, exchange information, or resolve problems.

Maintains a comprehensive, current knowledge and awareness of applicable laws, regulations, policies and procedures; maintains an awareness of new equipment, procedures, trends and advances in the profession; reads professional literature; maintains professional affiliations; participates in drills, demonstrations, and courses in hydraulics, pump operation/maintenance, and firefighting/rescue techniques; attends shift meetings, workshops and seminars as appropriate.

CURRENT 2020 CERTIFIED FIREFIGHTER HIRING PROCESS

Spalding County Fire Department is pleased to announce that we are currently accepting applications for full-time certified Firefighters I or II. Starting Salary is \$36,035 per year. Excellent benefits include health insurance, life insurance, dental and vision coverage, Deferred Compensation Retirement Plan, Firefighter Pension Fund membership option, monthly leave accrual – annual, sick and holiday leave and a 4% mandatory contributory Defined Benefit Retirement Plan (benefit calculation is average annual salary x 2% multiplier x years of service and includes a rule of 75 with minimum age of 50 for early retirement provision for Public Safety).

Applications are available online at <http://spaldingcounty.com/careers.php> This position will be posted until such time as all positions are filled and/or a minimally qualified applicant pool has been established. Applications may be submitted through our website, along with proof of education or by **US Postal Mail** to Spalding County Human Resources, P.O. Box 1087, Griffin, GA 30224, by **email** employment@spaldingcounty.com, **fax** 678-734-3142, or **in person** by delivering the packet to the Human Resources Department, located in Room 110 of the Annex Building, 119 East Solomon Street. A copy of birth certificate is not required with application, but if hired, must be provided no later than the 1st day of employment.

MINIMUM QUALIFICATIONS:

- Have not been convicted of a felony within the last ten (10) years;
- Have a valid driver's license and good driving record. No DUI within the last five (5) years;
- Must obtain at least a Class F driver's permit within 4 weeks from date of hire;
- Ability to obtain Class F driver's license within 6 months of hire;
- **Possess a valid Georgia Firefighter I or II certification. Firefighter I must obtain Firefighter II certification within 6 months of employment;**
- Be in good physical condition as determined by a medical examination and pass a predetermined physical agility evaluation.

PREFERRED QUALIFICATIONS:

- Basic Life Support certification
- GA Class F driver's license

Applicants who are certified Firefighters will be required to submit to a criminal and driver's history. All applicants who then meet the minimum qualifications will be contacted to participate in the interview process. At the conclusion of the interview process and based on the number of open positions, the top candidates, ranked by the interview committee, will be given a conditional offer of employment. The offer will be subject to successfully passing the following:

- **Physical Agility Test**
- **Comprehensive background check**
- **Medical Examination and certification by a licensed Physician**
- **Drug Test**

If there are more top candidates than open positions, a pool of qualified candidates (based on the ranking by the interview committee) will be maintained for up to six (6) months. If a position comes open, the candidates, in order of ranking, will be contacted and made a conditional offer of employment.

NOTE: ALL NOTIFICATIONS, WILL BE SENT TO THE E-MAIL ADDRESS PROVIDED ON YOUR APPLICATION

Physical Agility Testing will consist of the following:

Physical Agility Test (PAT) is a timed assessment of exercises that simulate daily firefighter job tasks. Candidates will dress in firefighter gear and perform the following tasks:

- Stair Climb
- Load Hoist
- Following Directions
- Smoke Fan Carry
- Ventilation Sled Strike
- Rescue Drag
