What you need to know

Where You Can Fill Prescriptions

- Your plan uses a Select/Non-select pharmacy network, so virtually any pharmacy can fill your prescription(s). If you choose to go to a Non-select pharmacy, you will have a higher copay on generic medications.
- Non-select pharmacies are CVS, Target, Walgreens, and Rite-Aid. All independent pharmacies and grocery stores are considered Select.

90-Day Prescriptions

- Any prescriptions greater than a 30-day supply up to 90-days can only be filled at Select Pharmacies. Please note that a 90-day fill is not available at Non-select pharmacies.

Specialty Medications

- Specialty Medications are EXCLUDED from the plan. For more information, please go to www.veracity-rx.com and complete the "Enrollment Form". Once completed, a VeracityRx Specialty team member will be in touch.

Personal Importation Medications

- Medications that can be obtained internationally (from Canada) can also be acquired through VeracityRx Pharmacy Services. When the medications are obtained this way, the cost to you is \$0 Copay. If you choose not to participate, a 50% coinsurance will apply at retail. For more information, please go to www.veracity-rx.com and complete the "Enrollment Form".
